

Vote in the Feb. 2 Primary!

Times are tough, and while our lives are full of worries, complications and conflicts, this is not the time to put-off casting a vote. If nothing else, voting in a primary lets local, state and national politicians know that we're watching, and we're concerned about the direction of our country.

Ask for a Green Party Ballot

By asking for a Green Party ballot, you'll be letting elected politicians know that the status quo is not good enough. We're tired of losing American jobs to so-called free trade deals, bailing out irresponsible banks, and seeing valuable public assets -- such as our roads, airports, even our parking meters -- handed over to private corporations. Green candidates (listed on back) offer a new direction. Visit www.dupagegreens.org/primary for details.

Not Registered to Vote?

While standard voter registration has ended, you can still register in-person and vote at the same time through Grace Period voting, now through Jan. 26. This option is open to new voters as well as those who have changed their address since they last voted.

To register and cast a ballot during the Grace Period, DuPage residents must go to the DuPage Election Commission office at 421 North County Farm Road, Wheaton, Illinois. Hours are Monday-Friday, 8 a.m. to 4:30 p.m., and Saturdays, 8 a.m. to noon.
