

DuPage Greens Summer Back Yard Get Together

1pm – 4pm Saturday Aug 27th
300 S. Summit Ave., Villa Park, IL

Keynote Speaker: Scott Summers, Illinois Green Party candidate for U.S. Senate

This is summer 2016 in DuPage County. We invite you and your friends and like-minded or interested Green Party advocates to join us to celebrate and to grow the DuPage County Green Party.

This November we will be able to vote for Green Party candidates in Illinois for President, Vice President, U.S. Senate and State Comptroller. We are also seeking candidates for next year's local political races such as school board, library board and city council. Local based elections are crucial to build from the ground up a sustainable DuPage Green Party infrastructure.

Meet elected Green Party office holders and learn how you too can serve at the local level to build an organization that is not tied to corporate or two party influences.

A suggested donation is \$16 – Light refreshments and beverages will be available.
